# How to install the Venngo Browser Extension on Mozilla Firefox:

Venngo Inc. is excited to release the browser extension for Mozilla Firefox:.

With the Venngo extension, you can see deals pop-up as and when you are shopping from brand partners. In this way, you don't need to check the app for amazing deals when you are shopping on a desktop or your laptop!

**This easy and simple step by step tutorial will help you get set up.**

STEP 01:

In your Firefox browser menu, locate "**add-on and themes**", and type "**Venngo**" in the search bar, click "**Venngo Browser Extension**" to install.

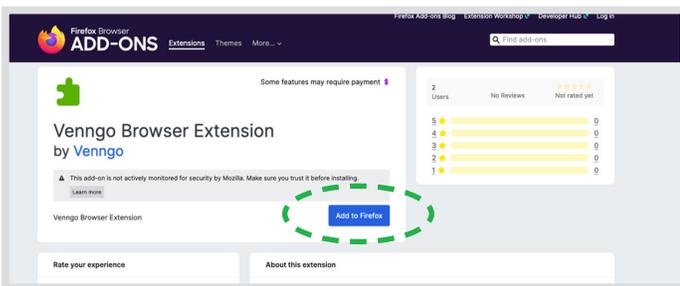

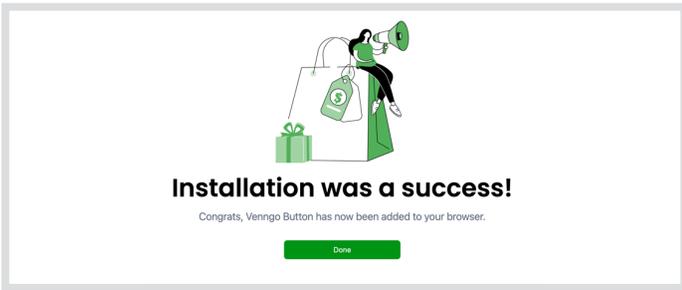

STEP 02:

Press the "**Add to Firefox**" button, located below the browser extension.

The following screen will pop-up, click "**Add**"

Installation was a success!

Congrats, Venngo Button has now been added to your browser.

Done

STEP 03:

Once added, it will be in the library of browser extensions. Click "**done**".

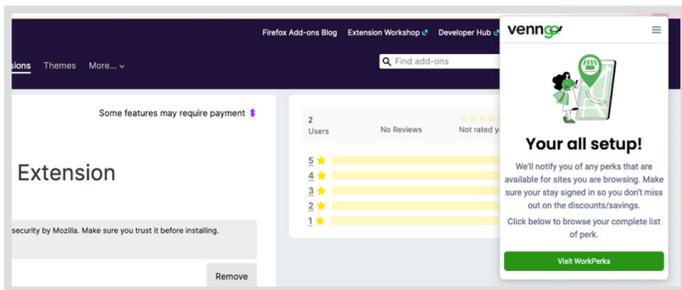

Extensions

STEP 04:

Click on the "**puzzle piece**" on the top right-hand side, on the bar to bring up the Venngo extension.
