

How to install the Venngo Browser **Extension on Safari**:

Venngo Inc. is excited to release the browser extension for Safari.

With the Venngo extension, you can see deals pop-up as and when you are shopping from brand partners. In this way, you don't need to check the app for amazing deals when you are shopping on a desktop or your laptop!

This easy and simple step by step tutorial will help you get set up.

STEP 01:

In your Safari browser menu, go to "**settings**" and locate "**Safari Extensions**" like the image below.

STEP 02:

You will be directed to the App Store. Once there, you will need to type "**Venngo**" in the search bar. Click "**GET**"

You will be prompted to sign in the App Store. Go ahead and do that and click "**Get**".

Venngo Browser Extension's extension is currently off. You can turn it on in Safari Extensions preferences.

Quit and Open Safari Extensions Preferences...

			Pe	Permissions for "Venngo Browser Extension": • Webpage Contents and Browsing History Can read and alter sensitive information on webpages, including passwords, phone Can read and alter sensitive information on webpages, including passwords, phone							

Once download, click "Open".

Optional: This screen might pop-up. Go ahead and click on "Quit and Open Safari Extensions Preferences"

For this step, all you have to do, is click the check box.

STEP 04:

Once done, you should see this screen. Click "**Done**"

STEP 05:

Go ahead and sign in with your organization's Venngo personalized URL and click submit.

STEP 06:

Once you've signed in, the screen below will pop up. For best experience, click "**always allow**" so anytime you're shopping on a site, it will let you know when a perk is available.

Congratulations! You are now all set up to make great savings when you shop, eat and play with Venngo!
